| Objective    | Dersin amacı günümüz Türk hukukunu etkileyen hukuki sistemleri ve düşünürleri incelemektir.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Content      | Bu ders, hukuk tarihinin temel aşamalarını karşılaştırmalı bir perspektifle ele alır. Antik Dünya'da (Mezopotamya, Mısır, Yunan) hukuk kültürünün oluşumu; Yahudi hukukunun dini normatif yapısı; Hristiyanlık düşüncesi ve Roma hukuku arasındaki karşılıklı etkileşim; İslam hukukunun ortaya çıkışı, kaynakları ve klasik dönem kurumları; Osmanlı hukuk düzeni, şer'î ve örfî hukuk ayrımı ile kurumları incelenir. Öğrencilerin farklı hukuk geleneklerini tarihsel bağlamlarında kavramaları amaçlanır.                                                                           |
