G452	Behavioral Marketing	6	3	0	0	3	5

Prerequisites

Admission Requirements

Language of Instruction French

Course Type Elective

Course Level Bachelor Degree

Objective To allow the student to:
 - understand the behavioral marketing techniques currently used and their evolutions,
 - to be able to put them in place.

Content The course is divided into 3 parts:
 - Analysis of the different behavioral marketing methods
 - basis of data analysis
 - Examples of the implementation of behavioral marketing strategies.

Many works exist. Three were selected because they correspond more to the course approach
