JOU307	Sociology of Journalism	5	2	0	0	2	4

Prerequisites	
Admission Requirements	

Language of Instruction	French
Course Type	Compulsory
Course Level	Bachelor Degree
Objective	This course has three main objectives. It aims first to introduce the world of journalism in its specificity, its diversity, its evolution, its place, its organizational and technical constraints, and terms of writing and coverage of events. It then gives the task of deciphering his constant interaction with society and power (political and economic) and its role in a democratic society, put into perspective with the question of ethics. It also proposes to analyze the reports of journalists to sources and public information as a product of social construction.
Content	Sociological analyses of journalism practices
