Course Type	Compulsory
Course Level	Bachelor Degree
Objective	- This course aims to introduce Ancient Roman civilisation, which is one of the main sources of Europe's common cultural heritage, in various aspects such as social structure, language, politics, religion, daily life, urban culture and literature.
Content	- Although certain events and dates that constitute a turning point in Roman history are commemorated, the course does not follow a chronological historical narrative, but the topics specified in the lesson plan are dealt with around the basic concepts by emphasising their natural relations with each other.
