|                         |   |
|-------------------------|---|
| Language of Instruction | Turkish   |
| Course Type             | Compulsory  |
| Course Level            | Bachelor Degree   |
| Objective               | To present fundamental knowledge about the international society and its legal organisation, to ensure the laying of a rigorous legal groundwork in order for students to utilise within subsequent relevant courses such as Public International Law II, Human Rights Law and European Union Law.  |
| Content                 | This course consists of two parts: In the first part, sources of international law and the historical development of international law are treated; in the second part the concept of international legal personality is introduced, hence the rights and obligations of States, international organisations and natural persons are analysed.  |
