Prerequisites	
Admission Requirements	

Language of Instruction	Turkish
Course Type	Elective
Course Level	Masters Degree
Objective	This course aims to teach globally recognize auditing concepts. Thus, in the context of auditor's decision-making process in financial statement audit, the student becomes familiar with the nature and amount of evidence the auditor should gather; and understands the risks related to the engagement, risk assessment, technology, and fraud and auditing of internal control. The student also learns sustainability and other assurance audits.
