Language of Instruction	Turkish
Course Type	Elective
Course Level	Bachelor Degree
Objective	Competition Law is a dynamic legal field that is steadily developing and influencing all sections of Private Law. The aim of the course is to inform the students who will deal with both Private Law and Public Law, how the competition system functions and how legal regulations with mixed character are applied. For this purpose, aside from the pluralistic legal mechanisms of Competition Law, the relation with various legal disciplines is also emphasized.
Content	Basic concepts of competition law, private legal regime specific to enterprise, market, restrictive agreements theory, vertical agreements, concerted practices, abuse of dominant position, intensification and compensation.
