Theory Topics

Week	Weekly Contents
1	Readings from semiotics literature
2	Readings from semiotics literature
3	To identify the theoretical approach and concepts that will frame the student's research.
4	To identify the theoretical approach and concepts that will frame the student's research.
5	Selection of the text or texts to be examined in the research.
6	To outline the research roadmap.
7	Consulting during the thesis writing process.
8	Consulting during the thesis writing process.
9	Submission of the first version of the Introduction, Corpus, and Bibliography sections of the project. (This work will be evaluated as a midterm assignment).
10	Reading and revising the research text that the student has begun to create, based on feedback.
11	Reading and revising the research text that the student has begun to create, based on feedback.
12	Reading and revising the research text that the student has begun to create, based on feedback.
13	Reading and revising the research text that the student has begun to create, based on feedback.
14	Argumentative work on defending the final version.
