| Language of Instruction | French |
| Course Type | Elective |
| Course Level | Bachelor Degree |
| Objective | To develop students' ability to conduct independent academic research in the field of contemporary French literature. To guide students in preparing an original, coherent, and academically rigorous graduation thesis based on the analysis of literary works and theoretical sources related to a selected research topic, in accordance with established principles and methods of scholarly research. |
| Content | Selection of a research topic in contemporary French literature, formulation of research questions, literature review, examination of literary texts and theoretical approaches, development of a research plan, and academic writing. Evaluation of students' individual research through regular meetings and discussions, monitoring of research progress, academic guidance, and completion of graduation theses. |
| References | Works of contemporary French literature, foundational studies in literary theory and criticism, scholarly articles, academic monographs, and other relevant research materials selected according to the individual research topics chosen by students. |
