HUK271	International Law I	3	3	0	0	3	5

Prerequisites	
Admission Requirements	

Language of Instruction	French
Course Type	Compulsory
Course Level	Bachelor Degree
Objective	The course objective is to provide introductory information on the international community and its legal organization. The emphasis is on the sources and the subjects of international law and the main goal of the course is to build a solid legal foundation for Public International Law II.
Content	In this course, two main subjects are examined: sources of public international law (international treaties, international customary law, general principles of law, doctrine, jurisprudence and unilateral acts of States) and subjects of public international law (States, international organizations and legal persons governed by private law).
