| Objective | develop a strategy learning/recording vocabulary,be aware of some other learning strategies,recognize and use parts of speech,recognize and use high-frequency words and expressions,read at sentence and paragraph level<br>read for comprehension |
| Content | English courses usually focus on the four basic skills - listening, speaking, reading, and writing. In addition, they usually involve cultural skills. Students improve their language level and maximise their ability to use English in various everyday situations. While focusing on the four skills, students practice pronunciation, vocabulary, grammar and conversation skills. Get ready for the next semester's maritime English |
