RI-815	History of International Relations	2	3	0	0	3	8

Prerequisites	
Admission Requirements	

Language of Instruction	Turkish
Course Type	Compulsory
Course Level	Masters Degree
Objective	To teach students of various disciplinary and professional backgrounds, with various infrastructures, the historical foundations of the contemporary international system and equip them with the ability to analyze the contemporary world from such a perspective.
Content	This course covers a period from the Treaties of Westphalia from 1648 to the end of the Second World War in 1945, and focuses on the evolution of the modern sovereign state system. The wars and peace that have conceived / constructed and destroyed the world, the economic and social crises are studied in an extensive geography (from Europe to the Far East), in the context of various historicities which are different, but which have a certain parallelism.
