SP241	Political History II	3	3	0	0	3	4

Prerequisites	
Admission Requirements	

Language of Instruction	French
Course Type	Compulsory
Course Level	Bachelor Degree
Objective	Aim of the course is to investigate the political history of the world particularly of the Europe between 1914-1945. The stated years were will be discussed in considering the social, economic and political processes. The course will seek to answer the reasons and results of the world wars.
Content	At the first stage, polarization between the countries before the First World War will be discussed by taking into consideration the industrialization and colonialization processes in 19th century. Then, the reasons of the outbreak of the war and the peace treaties after the war will be discussed on. After handling the October Revolution, the economic, social and political situation of the Europe in 20s and 30s will be discussed in detail. From this point of view, the rising of the totalitarian regimes in Europe and the processes leading to the Second World War and its results will be analyzed.
