| Language of Instruction | Turkish                                                                                                                                                                                                                                                                                                                                                                  |
| Course Type             | Compulsory                                                                                                                                                                                                                                                                                                                                                               |
| Course Level            | Bachelor Degree                                                                                                                                                                                                                                                                                                                                                          |
| Objective               | The basic purpose of the programme is to provide the students with a common understanding on the usefulness and the effective methods of studying history, on the importance of revolutionary history of Turkey and on the role of Atatürk.                                                                                                                              |
| Content                 | The fields of the programme are to study the external and internal events in the new state after Lausanne Treaty. Moreover following Atatürk's period, it is discussed the Turkish Foreign Policy in the new period which was particularly established after the Second World War.(Turkey's joining to security pacts and the relations with European Union)             |
